EDUCATION

Bachelor of Engineering in Electronics and Communication Engineering (3rd-Year) Nov 2022 to Dec 2026
East Point College of Engineering and Technology, Bangalore-560049,
Affiliated to Visvesvaraya Technological University (VTU), Belagavi

SKILLS

Programming Languages: HTML, CSS, JavaScript.

Tools: Visual Studio Code, GitHub

Web Development: Web Designing, Responsive Website Design.

Soft Skills: Report Building, Communication, Documentation.

AI Tools: ChatGPT, DeepSeek (for code generation, debugging, and content creation)

PROJECTS

Portfolio | ([link](#))

A sleek and responsive personal portfolio website built using HTML and CSS, showcasing my projects, skills, and passion for development. Designed with a clean layout and smooth user experience to highlight my journey as an aspiring engineer.

Weather.find() | ([link](#))

Developed a responsive weather web application using HTML, CSS, and JavaScript that fetches real-time forecasts from OpenWeatherMap API, Implemented dynamic UI components for location-based weather data, temperature visualization, and cross-device compatibility, Enhanced user experience through intuitive search functionality and clean presentation of atmospheric conditions (humidity, wind speed, etc.)

AREA OF INTEREST

❖ Development

- Web development (full stack development).
- App development
- Software development

❖ Data Scientist

❖ Artificial intelligence

❖ Machine learning
